TEA THAT INDUCES WARM SENTIMENTS

A nice gift for your friends and family!

1. BEAUTIFUL COARSE TEA

Each blend contains the real pieces of fruits and berries, petals and flower buds.

2. UNIQUE BLENDS

They are developed by the professionals specially for the Enerwood Edition collection.

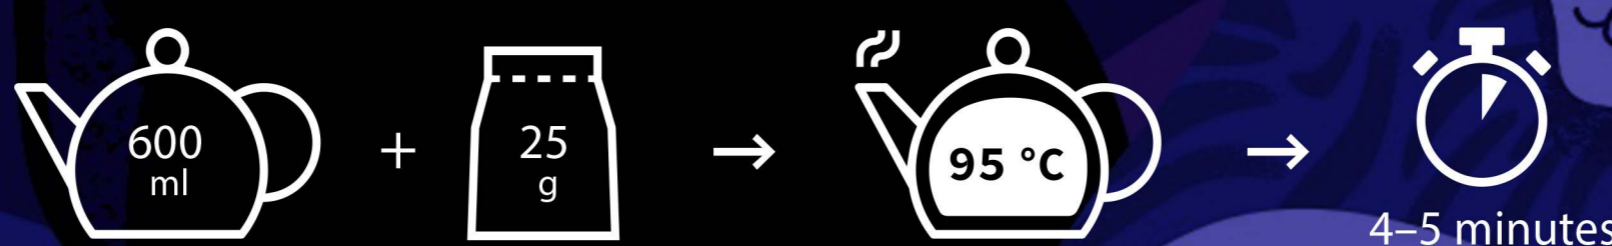

3. HIGH QUALITY

Only fresh selected raw materials of the highest grade that are stored for no more than one season are used for the production process.

4. BRIGHT FLAVOUR

Will create a cozy atmosphere and give a good mood.

BREWING-UP METHOD

Add the sachet contents to a 600 ml teapot, pour hot water at a temperature of 95°C, brew for 4-5 minutes.

Otherwise, you can personally adjust the tea strength by adding less or more of the sachet contents.

1. STRAWBERRY-LYCHEE BLACK TEA

A unique combination of traditional black tea with the jasmine buds, strawberry pieces and dried pineapple, complemented by an unusual lychee flavour, will appeal to the romantic persons who appreciate every moment spent with their loved ones.
